The screenshot shows the Tokopedia mobile app interface. At the top, there's a navigation bar with links like 'Gratis Ongkir + Banyak Promo', 'Tentang Tokopedia', 'Mulai Berjualan', 'Promo', and 'Tokopedia Care'. Below this is a search bar with the text 'Cari di Tokopedia' and a shopping cart icon. The main content area displays the product 'Samsung Galaxy Tab A11+ Wifi GB 6GB 128GB Tablet 11 Inch - Free Bookcover, A11+ Wifi 6/128' with its price 'Rp3.799.000' and a rating of 4.9. There are two tabs: 'Pilih varian: Free Bookcover' and 'Package Bundle'. Underneath, there are two options: 'A11+ Wifi 6/128' and 'A11+ 5G 6/128'. To the right, there's a sidebar with 'Promosi Tokopedia', 'Atur jumlah dan catatan', and a subtotal section showing 'Rp3.799.000'.

Kelebihan	Kekurangan
<p>1. pakai chipset Dimensity 7300 yang cukup kencang untuk multitasking, streaming, dan game ringan-sedang.</p> <p>2. Layar besar & mulus: 11" dengan refresh rate 90 Hz.</p> <p>3. Baterai besar + fast charging: 7.040 mAh + 25 W charging.</p>	<p>1. Panel LCD biasa: warna & kontras tidak sekuat AMOLED di seri S.</p> <p>2. Tidak support S-Pen aktif: hanya stylus kapasitif biasa walaupun pakai.</p> <p>3. Resolusi standar 1200p.</p>
